Item 8.01 Other Events

On June 29, 2023, FTAI Infrastructure Inc., a Delaware corporation (the “Company”), announced the pricing of its private offering of \$100 million aggregate principal amount of 10.500% senior secured notes due 2027 (the “Additional Notes”). The Additional Notes will be issued at an issue price equal to 95.50% of principal, plus accrued interest from and including June 1, 2023. The Additional Notes are being offered as an additional issuance of the Company’s existing \$500.0 million aggregate principal amount of 10.500% senior secured notes due 2027, initially issued on July 7, 2022 and July 25, 2022 (the “Existing Notes”). The Additional Notes will be issued under the same indenture as the Existing Notes, will be treated as a single class of debt securities with the Existing Notes and have the same terms, other than the issue date and offering price. Like the Existing Notes, the Additional Notes are fully and unconditionally guaranteed on a senior basis by certain of the Company’s subsidiaries. The offering of the Additional Notes is expected to close on July 5, 2023, subject to satisfaction of customary closing conditions.

The Company intends to use the net proceeds from the offering to repay the amount outstanding under the Transtar revolver and bridge loan credit agreement and the commitments thereunder will be terminated in connection with the closing of the offering. The Company intends to use the remainder of net proceeds for general corporate purposes.

The Additional Notes were offered in the United States to persons reasonably believed to be qualified institutional buyers under Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States under Regulation S under the Securities Act. The Additional Notes will not be registered under the Securities Act or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

The information in this Form 8-K filed pursuant to Item 8.01 does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein, nor shall there be any sale of these securities in any state or other jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
