14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ The Common Stock distribution of \$0.03 per share was declared by the board of directors of FTAI Infrastructure (the "Company") on August 1, 2024 and will be paid on August 20, 2024 to its shareholders of record as of August 12, 2024.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The Company currently estimates that the above distribution will be treated as a return of capital and that the Common Stock shareholder's tax basis will reduce by \$0.03 per share as a result of the distribution.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ Pursuant to Internal Revenue Code Sections 301(c) and 316(c), the distributions are treated as taxable dividends to the extent of the Company's current and accumulated earnings and profits ("E&P"). Distributions in excess of the Company's current and accumulated E&P are treated as nontaxable return of capital to the extent of the stockholder's tax basis. Any distributions in excess of the stockholder's basis will be treated as capital gains for U.S. tax purposes. The taxability of the Company's distributions and the determination of the character of the distributions are based on the most current estimated E&P information for the period ended December 31, 2024 available at the time this Form is published.
