PROXY STATEMENT

**For the 2024 Annual Meeting of Shareholders to Be Held on
May 29, 2024**

This Proxy Statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of FTAI Infrastructure Inc., a Delaware corporation, for use at the Annual Meeting to be held on May 29, 2024 and any adjournments or postponements thereof. “We,” “our,” “us,” “the Company” and “FIP” each refers to FTAI Infrastructure Inc. The mailing address of our executive office is 1345 Avenue of the Americas, 45th Floor, New York, New York 10105. This Proxy Statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of common stock of the Company (the “Common Stock”), on or about April 12, 2024.

At the date hereof, management has no knowledge of any business that will be presented for consideration at the Annual Meeting and which would be required to be set forth in this Proxy Statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Shareholders. If any other matter is properly presented at the Annual Meeting for consideration, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matter.

Matters to be considered at the Annual Meeting

At the Annual Meeting, shareholders of the Company’s Common Stock will vote upon:

- (i) a proposal to elect one Class II director to serve until the 2027 annual meeting of shareholders and until his successor is duly elected or appointed and qualified;
- (ii) a proposal to approve the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2024; and
- (iii) any other business that may properly come before the annual meeting of shareholders or any adjournment of the annual meeting.

GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors. The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record as of the close of business on April 1, 2024, and will provide reimbursement for the cost of forwarding the materials.

Shareholders Entitled to Vote

As of April 1, 2024, there were 101,693,823 shares of Common Stock outstanding and entitled to vote. Each share of Common Stock entitles the holder to one vote. Shareholders of record at the close of business on April 1, 2024 are entitled to vote at the Annual Meeting or any adjournment or postponement thereof.

Shareholder of Record. If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company LLC, you are considered the shareholder of record with respect to those shares, and these proxy materials were sent directly to you by the Company.

Street Name Holders. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name," and these proxy materials will be or have been forwarded to you by your bank or broker. The bank or broker holding your account is considered the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct your bank or broker on how to vote the shares held in your account. If you wish to attend the Annual Meeting, you will need to obtain a "legal proxy" from your bank or broker.

Required Vote

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the Annual Meeting. If you have returned a valid proxy or if you hold your shares in your own name as holder of record and attend the Annual Meeting in person, your shares will be counted as present for the purpose of determining whether there is a quorum. Abstentions and broker "non-votes" (as described below) will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of the nominee to our Board of Directors, the affirmative vote of a plurality of the votes cast at the Annual Meeting is sufficient to elect the nominee if a quorum is present. For the approval of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024, a vote of the holders of a majority of the total number of votes of the Corporation's capital stock present at the meeting in person or represented by proxy and entitled to vote on the matter, voting as a single class, is required to approve such matter.

Broker non-votes are instances where a broker holding shares of record for a beneficial owner does not vote the shares because it has not received voting instructions from the beneficial owner and therefore is precluded by stock exchange rules from voting on a particular matter. Under stock exchange rules, when a broker holding shares in "street name" does not receive voting instructions from a beneficial owner, the broker has discretionary authority to vote on certain routine matters but is prohibited from voting on non-routine matters. Brokers who do not receive instructions are not entitled to vote on the election of directors but they are entitled to vote on the ratification of the appointment of the independent registered public accounting firm.

A vote "withheld" from a director nominee or a broker non-vote on a director nominee will have no effect on the outcome of the vote because it will not be counted in the number of votes cast on a matter and a plurality of the votes cast at the Annual Meeting is required for the election of each director. Any abstentions or broker non-votes on the ratification of the appointment of the independent registered public accounting firm will be counted as votes against the proposal.

TABLE OF CONTENTS

If the enclosed proxy card is properly executed and returned to us in time to be voted at the Annual Meeting, it will be voted as specified on the proxy card unless it is properly revoked prior thereto. If no specification is made on the proxy card as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

- (i) **FOR** the election of the nominee to our Board of Directors;
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024; and
- (iii) in the discretion of the proxy holder on any other business that properly comes before the Annual Meeting or any adjournment or postponement thereof.

As of the date of this Proxy Statement, we are not aware of any other matter to be raised at the Annual Meeting.

Voting

Shareholders of Record. If you are a shareholder of record, you may instruct the proxies to vote your shares by telephone, by the Internet or by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your Common Stock in person at the Annual Meeting.

Street Name Holders. If you are a street name holder, you will receive instructions from your bank or broker that you must follow to be able to attend the Annual Meeting or to have your shares voted at the Annual Meeting.

Right to Revoke Proxy

Shareholders of Record. If you are a shareholder of record, you may revoke your proxy instructions through any of the following methods:

- log onto the Internet site provided on the proxy card and vote again;
- dial the number provided on the proxy card and vote again;
- send written notice of revocation, prior to the Annual Meeting, to our Secretary, Ms. BoHee Yoon, at FTAI Infrastructure Inc., 1345 Avenue of the Americas, 45th Floor, New York, New York 10105;
- sign, date and mail a new proxy card to our Secretary; or
- attend the Annual Meeting and vote your shares in person.

Street Name Holders. If you are a street name holder, you must contact your bank or broker to receive instructions as to how you may revoke your proxy instructions.

Copies of Annual Report to Shareholders

A copy of our Annual Report on Form 10-K for our most recently completed fiscal year, which has been filed with the Securities and Exchange Commission (the "SEC"), will be mailed to shareholders entitled to vote at the Annual Meeting who have elected to receive a hard copy of the proxy materials and is also available without charge to shareholders upon written request to: FTAI Infrastructure Inc., 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations. You can also find a copy of our Annual Report on the Investor Relations section of the FTAI Infrastructure website (www.ftainc.com).

Voting Results

Broadridge Financial Solutions, Inc., our independent tabulating agent, will count the votes and act as the Inspector of Election. We will publish the voting results in a Current Report on Form 8-K, which will be filed with the SEC within four business days of the Annual Meeting.

Confidentiality of Voting

We keep all proxies, ballots and voting tabulations confidential as a matter of practice. We permit only our Inspector of Election, Broadridge Financial Solutions, Inc., to examine these documents.

Recommendations of the Board of Directors

The Board of Directors recommends a vote:

- (i) **FOR** the election of the nominee to our Board of Directors; and
- (ii) **FOR** the approval of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2024.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The first proposal is to elect one Class II director to serve until the 2027 annual meeting of shareholders and until their respective successors are duly elected or appointed and qualified.

Our bylaws, as amended (the “Bylaws”), authorize the number of directors to be not less than three, nor more than nine. The number of directors on the board is currently fixed at four. Our Board of Directors is divided into three classes. The members of each class of directors serve staggered three-year terms.

Our current Board of Directors is classified as follows:

Class	Term Expiration	Director	Age
Class I	2026	James L. Hamilton	69
Class II	2024	Ray M. Robinson	76
Class III	2025	Joseph P. Adams, Jr.	66
		Judith A. Hannaway	72

The Board of Directors has unanimously proposed Ray M. Robinson as nominee for election as a Class II director. The director nominee currently serves on our Board of Directors. If elected at the Annual Meeting, Mr. Robinson will hold office until the 2027 annual meeting of shareholders and until his successor is duly elected or appointed and qualified, subject to earlier death, resignation or removal. Unless otherwise instructed, we will vote all proxies we receive **FOR** Ray M. Robinson. If the nominee becomes unable to stand for election as a director, an event that our Board of Directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our Board of Directors.

The Board of Directors recommends that you vote FOR the election of Ray M. Robinson to serve as our Class II director until the 2027 annual meeting of the shareholders and until his successor is duly elected or appointed and qualified.

Information Concerning Our Directors, Including the Director Nominee

Set forth below is certain biographical information for our directors, including the director nominee, as well as the month and year each person was first elected as one of our directors.

Each of our directors was selected because of the knowledge, experience, skill, expertise and diversity the director contributes to the Board of Directors as a whole. Our directors have extensive familiarity with our business and experience from senior positions in large, complex organizations. In these positions, they gained core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management, and leadership development. The Nominating and Corporate Governance Committee believes that each of the directors also has key attributes that are important to an effective Board of Directors: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of origin, background, experience, and thought; and the commitment to devote significant time and energy to service on the Board of Directors and its committees. Of the four members of the Board of Directors, 25% are women and 25% are racially/ethnically diverse.

Compensation of Directors

The total annual compensation generally payable to our non-employee directors is \$150,000. In addition, we pay an annual fee to the chairperson of the Audit Committee of \$10,000. At their election, fees to non-employee directors may be paid in the form of fully-vested shares of Common Stock, based on the value of such shares of Common Stock at the date of issuance, rather than in cash, provided that any such issuance does not prevent such director from being determined to be independent and such shares are granted pursuant to a shareholder-approved plan or the issuance of such shares is otherwise exempt from Nasdaq listing requirements. Each non-employee director also received an initial one time grant of fully vested options to purchase 5,000 shares of Common Stock under our Nonqualified Stock Option and Incentive Award Plan upon the date of the

Determination of Director Independence

If required under the listing standards of the Nasdaq Stock Market LLC (“Nasdaq”), the Board of Directors shall be comprised of a majority of directors who qualify as independent directors (“Independent Directors”) under the listing standards of Nasdaq.

Pursuant to the Company’s Corporate Governance Guidelines, the Board of Directors must be comprised of a majority of directors who qualify as Independent Directors. The Board of Directors review annually the relationships that each director has with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). Following such annual review, only those directors who the Board of Directors affirmatively determines satisfy the applicable independence requirements will be considered Independent Directors. The Board of Directors may adopt and disclose categorical standards to assist it in determining director independence. In the event that a director becomes aware of any change in circumstances that may result in such director no longer being considered independent under the listing standards of Nasdaq or under applicable law, the director must promptly inform the Chair of the Nominating and Corporate Governance Committee. Our Board of Directors determined that Ms. Hannaway and Messrs. Hamilton and Robinson qualify as independent directors under the corporate governance standards of Nasdaq.

Statement on Corporate Governance

We emphasize the importance of professional business conduct and ethics through our corporate governance initiatives. Our Board of Directors consists of a majority of independent directors (in accordance with Nasdaq rules). Our Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are each composed entirely of independent directors.

We have adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics, which delineate our standards for our officers and directors and employees of our Manager, an affiliate of Fortress. We make available, free of charge through a link on our website, our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to such reports, if any, as filed with the SEC as soon as reasonably practicable after such filing. Our site also contains our Code of Business Conduct and Ethics, Code of Ethics for Senior Officers, Corporate Governance Guidelines, and the charters of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee of our Board of Directors. Our website address is www.fipinc.com. You may also obtain these documents by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

As mentioned above, the Board of Directors has adopted a Code of Business Conduct and Ethics, which is available on our website, that applies to all employees of our Manager who provide services to us, and each of our directors and officers, including our principal executive officer and principal financial officer. The purpose of the Code of Business Conduct and Ethics is to promote, among other things, honest and ethical conduct, full, fair, accurate, timely and understandable disclosure in public communications and reports and documents that the Company files with, or submits to, the SEC, compliance with applicable governmental laws, rules and regulations, accountability for adherence to the code and the reporting of violations thereof.

The Company has also adopted a Code of Ethics for Senior Officers, which is available on our website and which sets forth specific policies to guide the Company’s senior officers in the performance of their duties. This

code supplements the Code of Business Conduct and Ethics described above. The Company intends to disclose any changes in or waivers from either code applicable to the Company's executive officers or directors by posting such information on our website.

The Company does not have a policy to separate the roles of Chief Executive Officer and Chairman of the Board of Directors, as the Board of Directors believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Mr. Adams has served as the Chairman of our Board of Directors since August 2022 and his service has allowed us to benefit from his extensive knowledge of the Company and its industry. Mr. Nicholson has served as Chief Executive Officer since August 2022, and this structure permits him to focus on the management of the Company's day-to-day operations. The Board of Directors believes that having Mr. Adams serve as Chairman is an appropriate, effective and efficient leadership structure, especially given Mr. Adams's extensive experience in the industry and on other boards. The Board of Directors periodically reviews its leadership structure. The Company does not have a lead independent director; however, an independent director presides over the executive sessions. For additional information, see "Executive Sessions of Non-Management Directors."

Sustainability

As part of our strategy, we are focused on supporting the transition to a low-carbon economy and aim to provide sustainable transportation and infrastructure solutions by leveraging our Manager's expertise and business and financing relationships, as well as our access to capital. We highlighted certain of our current sustainability solutions and investments in our Form 10-K for the year ended December 31, 2023, and we expect to continue to explore additional sustainability-related opportunities.

Hedging Policy

Pursuant to our policies and procedures for transacting in Company securities, all directors, executive officers, employees and employees of our Manager are prohibited from engaging in any transaction intended to hedge or minimize losses in the Company's securities, including engaging in transactions in puts, calls, or other derivatives of the Company's securities or short-selling the Company's securities.

Board and Committee Meetings

During the year ended December 31, 2023, our Board of Directors held five meetings. No director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. During 2023, the Audit Committee met five times, the Compensation Committee met three times and the Nominating and Corporate Governance Committee met one time. Although director attendance at the Company's annual meeting each year is encouraged, the Company does not have an attendance policy.

Audit Committee. Our Board of Directors has a standing Audit Committee composed entirely of independent directors. The current members of the Audit Committee are Mr. Hamilton (Chairperson), Ms. Hannaway and Mr. Robinson, each of whom has been determined by our Board of Directors to be independent in accordance with Nasdaq rules and the SEC's audit committee independence standards. The purpose of the Audit Committee is to provide assistance to the board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Company and its subsidiaries, including, without limitation, assisting the board's oversight of (a) the integrity of the Company's financial statements; (b) the Company's compliance with legal and regulatory requirements; (c) the Company's independent registered public accounting firm's qualifications and independence; and (d) the performance of the Company's independent registered public accounting firm and the Company's internal audit function. Risk Oversight. The Company's risk management is overseen by the Chief Executive Officer, who receives reports directly from other officers and individuals who perform services for the Company, including, but not limited to, our Manager's Chief Compliance Officer and Chief Information Security Officer. Material risks are identified and prioritized by management, and material risks are periodically discussed with the Board of Directors. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operations, including risks and contingencies associated with each area. In addition to the formal compliance program, the Board of Directors encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Compensation Committee. The members of the Compensation Committee are Mr. Robinson (Chairperson), Ms. Hannaway and Mr. Hamilton, each of whom has been determined by our Board of Directors to be independent in accordance with Nasdaq rules. The Compensation Committee is responsible for (a) overseeing the annual review of the management agreement with the Company's Manager (the "Management Agreement"), (b) administering and approving the grant of awards under any incentive compensation plan, including any equity-based plan, of the Company and (c) making recommendations to the Board of Directors regarding director compensation. The charter of the Compensation Committee is available on our website, at www.fipinc.com. You may also obtain a copy of the charter by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

During 2023, the Company did not pay any compensation directly to its executive officers. The Compensation Committee conducted its annual review of the Management Agreement, after which it advised the full Board of Directors that, in its view, there was no contractual basis for the independent directors to recommend a termination of the Management Agreement and that the management fees earned by our Manager are fair.

Each member of the Compensation Committee is a "non-employee director" as defined under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and is also an independent director under Nasdaq listing standards and other applicable laws, rules and regulations.

Nominating and Corporate Governance Committee. Our Board of Directors has a standing Nominating and Corporate Governance Committee composed entirely of independent directors. The current members of the Nominating and Corporate Governance Committee are Ms. Hannaway (Chairperson), and Messrs. Hamilton and Robinson, each of whom has been determined by our Board of Directors to be an independent director in accordance with Nasdaq rules. The functions of the Nominating and Corporate Governance Committee include, without limitation, the following: (a) recommending to the board individuals qualified to serve as directors of the Company and on committees of the board; (b) advising the board with respect to board composition, procedures and committees; (c) advising the board with respect to the corporate governance principles applicable to the Company; and (d) overseeing the evaluation of the board. The charter of the Nominating and Corporate Governance Committee is available on our website, at www.fipinc.com. You may also obtain a copy of the charter by writing the Company at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations.

The Nominating and Corporate Governance Committee, as required by the Company's Bylaws, will consider director candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate and may take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held.

The Company's Bylaws provide certain procedures that a shareholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual shareholder meeting must be submitted in writing to the Company's Secretary at FTAI Infrastructure Inc., 1345 Avenue of the Americas, 45th Floor, New York, New York 10105. The Secretary must receive the notice of a shareholder's intention to introduce a nomination at an annual shareholder meeting (together with certain required information set forth in the Company's Bylaws) within the timeframes set forth below under "Advance Notice for Shareholder Nominations and Proposals for 2025 Annual Meeting."

The Nominating and Corporate Governance Committee believes that the qualifications for serving as a director of the Company are, taking into account such person's familiarity with the Company, possession of such

knowledge, experience, skills, expertise, integrity and diversity as would enhance the board's ability to manage and direct the affairs and business of the Company, including, when applicable, the ability of committees of the board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or Nasdaq rule.

In addition to considering a director-candidate's background and accomplishments, the process for identifying and evaluating all nominees includes a review of the current composition of the Board of Directors and the evolving needs of our business. The Nominating and Corporate Governance Committee will identify potential nominees by asking current directors and executive officers to notify the Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. As described above, the Nominating and Corporate Governance Committee will also consider candidates recommended by shareholders. Our evaluation of nominees does not necessarily vary depending on whether or not the nominee was nominated by a shareholder. In considering candidates submitted by shareholders, the Nominating and Corporate Governance Committee may take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating and Corporate Governance Committee strives to nominate individuals with a variety of complementary skills. The Nominating and Corporate Governance Committee assesses its achievement of diversity through the review of the Board's composition as part of the Board's annual self-assessment process.

Executive sessions of the non-management directors occur during the course of the year. "Non-management directors" include all directors who are not officers of the Company or employees of the Company's Manager. The non-management director presiding at those sessions rotate from meeting to meeting among the chair of each of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee, to the extent the director is present at the executive session.

REPORT OF THE AUDIT COMMITTEE

In accordance with and to the extent permitted by the rules of the SEC, the information contained in the following Report of the Audit Committee shall not be incorporated by reference into any of the Company's future filings made under the Exchange Act, and shall not be deemed to be "soliciting material" or to be "filed" under the Exchange Act or the Securities Act of 1933, as amended (the "Securities Act").

The Audit Committee operates under a written charter approved by the Board of Directors, consistent with the corporate governance rules issued by the SEC and Nasdaq. The Audit Committee's charter is available on the Company's website at www.fipinc.com. The members of the Audit Committee hold executive sessions during the course of the year.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate in accordance with generally accepted accounting principles. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the Company's internal control over financial reporting, including a review of management's and the independent registered public accounting firm's assessments of and reports on the effectiveness of internal control over financial reporting and any significant deficiencies or material weaknesses.

The Audit Committee has reviewed and discussed with management the audited financial statements in the annual report on Form 10-K.

The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB") and the SEC, including the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable PCAOB requirements and has discussed with the independent registered public accounting firm their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors agreed) that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2023, for filing with the SEC. The Audit Committee and the Board of Directors also have recommended, subject to shareholder approval, the selection of the Company's independent registered public accounting firm for fiscal year 2024.

EXECUTIVE AND MANAGER COMPENSATION**Compensation Discussion and Analysis*****Introduction***

Each of our officers is an employee of our Manager or an affiliate of our Manager. Our officers are compensated by our Manager (or the applicable affiliate) and do not receive any compensation directly from us. We do not reimburse our Manager or any of its affiliates for the compensation of any of our officers and do not make any decisions regarding the compensation of our officers. For a description of our Manager's compensation, please refer to the section entitled "Certain Relationships and Related Transactions—Management Agreement."

In accordance with our Management Agreement, our officers devote such portion of their time to our affairs as is required for the performance of the duties of our Manager under the Management Agreement. As a result, certain of our officers from time to time may be exclusively dedicated to performing services to us and thus not provide any other significant services to our Manager, while other of our officers are not exclusively dedicated to us and perform services for our Manager that are unrelated to our affairs.

Our Chief Executive Officer Kenneth J. Nicholson devoted a substantial portion of his time to the Company in 2023, although he did not exclusively provide services to us in 2023. Since our Manager compensates Mr. Nicholson based on the overall value of the various services that he performs for our Manager, our Manager is not able to segregate and identify any portion of the compensation awarded to him as relating solely to service performed for us. Accordingly, we have not included any information relating to the compensation paid to Mr. Nicholson by our Manager in or in respect of 2023 in the "Summary Compensation Table," below.

In 2023, our Chief Financial Officer, Chief Accounting Officer and Treasurer Scott Christopher was exclusively dedicated to providing services to us. Accordingly, our Manager has determined that the entire amount of the compensation that it paid to Mr. Christopher in or in respect of 2023 was for services that he performed for us and we have therefore reported that compensation in the "Summary Compensation Table," below.

Compensation for 2023

All of the decisions regarding Mr. Christopher's compensation are made by the Manager, and the Company and Mr. Christopher do not have any role in determining any aspect of Mr. Christopher's compensation with the Manager. Our Manager used the following compensation elements in 2023 as tools to reward and retain Mr. Christopher:

- Base Salary — Our Manager paid Mr. Christopher a base salary of \$200,000 in 2023 to assist him with paying basic living expenses during the calendar year;
- Bonus — Our Manager paid Mr. Christopher a discretionary bonus of \$950,000 in early 2024 based on its subjective review of his respective performance in 2023; and
- Other Compensation — Our Manager also provides Mr. Christopher with 401(k) matching contributions and company-paid life insurance premiums, which the Manager believes are reasonable, competitive and consistent with the Manager's overall executive compensation objectives to reward and retain talented and experienced individuals.

Additional Details on Executive Compensation***Summary Compensation Table***

The following table provides additional information regarding the compensation earned by Mr. Christopher in respect of the last two completed fiscal years (for 2022, in respect of the period beginning August 1, 2022), which was in each case determined and paid by our Manager. As previously described, our Manager is not able to segregate and identify any portion of the compensation earned by Mr. Nicholson in respect of the last two completed fiscal years as relating solely to services performed for us, and therefore this Summary Compensation Table does not include any compensation for Mr. Nicholson for such years.

Name and Principal Position	Year	Salary (\$)	Bonus (\$)	Stock Awards (\$)	All Other Compensation (\$)	Total (\$)
Scott Christopher, Chief Financial Officer, Chief Accounting Officer and Treasurer ⁽²⁾	2023	200,000	950,000	—	10,310 ⁽¹⁾	1,060,310
	2022	83,333	354,167	—	3,983	441,483

(1) This amount consists of (i) \$9,900 of 401(k) matching contributions made by the Manager and (ii) \$410 of life insurance premiums paid by the Manager.

(2) Mr. Christopher commenced serving as our Chief Financial Officer, Chief Accounting Officer and Treasurer from and after our August 1, 2022 spin-off from FTAI Aviation. Prior to such date, he exclusively provided services to FTAI Aviation. Amounts shown in this table for Mr. Christopher reflect only the amount of the compensation that the Manager paid to him for services to the Manager for the period from and after the August 1, 2022 spin-off date in which he was exclusively dedicated to providing services to us.

Grants of Plan-Based Awards in 2023

We may, from time to time, at the discretion of the Compensation Committee of our Board of Directors, grant options relating to shares of Common Stock or other equity interests in us to an affiliate of our Manager, who may in turn assign a portion of the options to its employees, including our officers and directors. Any such option awards assigned to employees of our Manager, including our officers and directors (“Tandem Options”), will correspond on a one-to-one basis with the options granted to our Manager, such that exercise by an employee of the option would result in the corresponding option held by our Manager being cancelled. In 2023, Mr. Nicholson was granted 1,086,957 Tandem Options.

Outstanding Option Awards as of December 31, 2023

The table below sets forth the outstanding Tandem Options held by our officers as of December 31, 2023.

- (1) Upon the grant of options to the Manager (or an affiliate), such options are fully vested and become exercisable over a 30-month period (the “Total Exercisability Period”) in monthly installments beginning on the first of each month following the month in which the options were granted. When Tandem Options are granted, the Manager options become exercisable in monthly installments over a portion of the Total Exercisability Period equal to 30 months, minus the product of (i) the ratio of Manager options subject to corresponding Tandem Options to the total number of Manager options (including Manager options subject to corresponding Tandem Options) multiplied by (ii) 30 (such period, the “Manager Exercisability Period”). Following the Manager Exercisability Period, the Tandem Options vest in generally monthly installments over the remainder of the Total Exercisability Period and become exercisable only at the end of the Total Exercisability Period.
- (2) Represents the expiration date of the option held by the Manager (or an affiliate) that is the basis for the Tandem Options held by the officer. In general, the expiration date of the Tandem Options occurs prior to the expiration date of the underlying Manager options.

Potential Payments Upon Change-in-Control or Termination

Mr. Christopher is not entitled to any severance payments or benefits upon a termination of employment with our Manager and its affiliates, whether occurring prior to or following a change in control of the Company or Fortress Investment Group LLC.

All options granted to our Manager will become fully exercisable upon a “change of control” (as defined in the Plan) or a termination of the Manager’s services to us for any reason, and any Tandem Options will be governed by the terms and condition set forth in the applicable award agreements, as determined by the Compensation Committee or the Manager, as the case may be. All Tandem Options will become fully vested and exercisable if the holder’s employment with the Manager or an affiliate of the Manager is terminated without cause within 12 months following a change of control. However, no optionholder will be entitled to receive any payment or other items of value upon a change of control. The estimated fair value of the Tandem Options held by Mr. Nicholson as of December 31, 2023 that would have been accelerated had a change in control occurred on December 31, 2023 and had Mr. Nicholson’s employment with the Manager or an affiliate of the Manager been terminated without cause on the same date is approximately \$1.5 million. The estimated fair value of the option awards held by our Manager as of December 31, 2023 that would have been accelerated had a change in control occurred on December 31, 2023 is approximately \$17.6 million.

FTAI Infrastructure Inc. Nonqualified Stock Option and Incentive Award Plan

The FTAI Infrastructure Inc. Nonqualified Stock Option and Incentive Award Plan (the “Plan”), was adopted by our Board of Directors on August 1, 2022. The Plan is intended to facilitate the use of long-term equity-based awards and incentives for the benefit of the service providers to the Company and our Manager. A summary of the Plan is set forth below.

The Plan is administered by our Board of Directors, which has appointed our Compensation Committee to administer the Plan. As the administrator of the Plan, the Compensation Committee has the authority to grant awards under the Plan and to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it deems advisable for the administration of the Plan. The Committee also has the authority to interpret the terms and provisions of the Plan, any award issued under the plan and any award agreements relating thereto, and to otherwise supervise the administration of the Plan. In particular, the Compensation Committee has the authority to determine the terms and conditions of awards under the Plan, including, without limitation, the exercise price, the number of shares of Common Stock subject to awards, the term of the awards and the vesting schedule applicable to awards, and to waive or amend the terms and conditions of outstanding awards. All decisions made by the Compensation Committee pursuant to the provisions of the Plan are final, conclusive and binding on all persons.

The terms of the Plan provide for the grant of options (that are not intended to qualify as “incentive stock options” under Section 422 of the Internal Revenue Code of 1986, as amended), stock appreciation rights (“SARs”), restricted stock, restricted stock units, performance awards and tandem awards to our Manager or to employees, officers, directors, consultants, service providers or advisors to either our Manager or the Company who have been selected by the Compensation Committee to be participants in the Plan.

We reserved 30,000,000 shares of Common Stock for issuance under the Plan. On the date of any equity issuance by us during the ten-year term of the Plan, that number will be increased by a number of shares of Common Stock equal to 10% of (i) the number of shares of Common Stock newly issued by us in such equity issuance or (ii) if such equity issuance relates to equity securities other than our Common Stock, the number of shares of Common Stock equal to the quotient obtained by dividing the gross capital raised in such equity issuance (as determined by the Compensation Committee) by the fair market value of a share of Common Stock as of the date of such equity issuance (such quotient, the “Equity Security Factor”). The Common Stock which may be issued pursuant to an award under the Plan may be treasury shares, authorized but unissued shares or shares acquired on the open market to satisfy the requirements of the Plan. Awards may consist of any combination of such shares, or, at our election cash. If any Common Stock subject to an award are forfeited, cancelled, exchanged or surrendered or if an award otherwise terminates or expires without a distribution of shares to the participant, such shares will again be available for grants under the Plan. The grant of a tandem award will not reduce the number of shares of Common Stock reserved and available for issuance under the Plan.

Upon the occurrence of any event which affects the Common Stock in such a way that an adjustment of outstanding awards is appropriate to prevent the dilution or enlargement of rights under the awards, the Compensation Committee will make appropriate equitable adjustments. The Compensation Committee may also provide for other substitutions or adjustments in its sole discretion, including, without limitation, the cancellation of any outstanding award and payment in cash or other property in exchange thereof, equal to the excess, if any, of the fair market value of the shares or other property subject to the award over the exercise price, if any.

We grant and anticipate that we will grant our Manager options in connection with our equity offerings as compensation for our Manager's role in raising capital for us. In the event that we offer equity securities to the public, we grant and intend to continue to simultaneously grant to our Manager or an affiliate of our Manager a number of options equal to up to 10% of (i) the aggregate number of shares of Common Stock being issued in such offering or (ii) if such equity issuance relates to equity securities other than our Common Stock, the number of shares of Common Stock equal to the Equity Security Factor, in each case at an exercise price per share equal to the offering price per share, as determined by the Compensation Committee. The main purpose of these options is to provide transaction-specific compensation to the Manager, in a form that aligns our Manager's interests with those of our shareholders, for the valuable services it provides in raising capital for us to invest through equity offerings. In addition, the plan enables the Manager to incentivize its employees who render services to us by making tandem equity awards to them and thus also aligning their interests with those of our shareholders. In each case, the Plan provides that such options will be fully vested as of the date of grant and exercisable as to 1/30 of the shares subject to the option on the first day of each of the 30 calendar months following the date of the grant. The Compensation Committee will determine whether the exercise price will be payable in cash, by withholding from Common Stock otherwise issuable upon exercise of such option or through another method permitted under the Plan.

In addition, the Compensation Committee has the authority to grant such other awards to our Manager under the Plan as it deems advisable, provided that no such award may be granted to our Manager in connection with any issuance by us of equity securities in excess of 10% of (i) the maximum number of shares of Common Stock then being issued or (ii) if such equity issuance relates to equity securities other than our shares of Common Stock, the maximum number of shares of Common Stock determined in accordance with the Equity Security Factor. Our Board of Directors may also determine to issue options to the Manager that are not subject to the Plan, provided that the number of shares of Common Stock underlying any options granted to the Manager in connection with capital raising efforts would not exceed 10% of the equity securities sold in such offering and would be subject to Nasdaq rules.

Each of the Compensation Committee and our Manager also has the authority under the terms of the Plan to direct Tandem Options to employees of our Manager who act as officers or perform other services for us that correspond on a one-to-one basis with the options granted to our Manager, such that exercise by such employee of the Tandem Options would result in the corresponding options held by our Manager being cancelled. As a condition to the grant of Tandem Options, our Manager is required to agree that so long as such Tandem Options remain outstanding, our Manager will not exercise any options under any designated Manager options that relate to the options outstanding under such Tandem Options. If any Tandem Options are forfeited, expire or are cancelled without being exercised, the related options under the designated Manager options will again become exercisable in accordance with their terms. The terms and conditions of any Tandem Options (e.g., the per-share exercise price, the schedule of vesting, exercisability and delivery, etc.) will be determined by the Compensation Committee or the Manager, as the case may be, in its sole discretion and must be included in an award agreement, provided, that the term of such Tandem Options may not be greater than the term of the designated Manager options to which they relate.

All options granted to our Manager will become fully vested and exercisable upon a "change of control" (as defined in the Plan) or a termination of the Manager's services to us for any reason, and any Tandem Options will be governed by the terms and condition set forth in the applicable award agreements, as determined by the Compensation Committee or the Manager, as the case may be.

As a general matter, the Plan provides that the Compensation Committee has the power to determine at what time or times each option may be exercised and, subject to the provisions of the Plan, the period of time, if any, after death, disability or other termination of employment during which options may be exercised. Options may become vested and exercisable in installments, and the exercisability of options may be accelerated by the Compensation Committee. To the extent permitted by applicable law, we may make loans available to the optionee in connection with the exercise of stock options. Such loans must be evidenced by the delivery of a promissory note and will bear interest and be subject to such other terms and conditions (including, without limitation, the execution by the optionee of a pledge agreement) as the Compensation Committee may determine. In any event, such loan amount may not exceed the sum of (x) the exercise price less the par value of the shares of Common Stock subject to such option then being exercised plus (y) any federal, state or local income taxes attributable to such exercise.

The Compensation Committee may also grant SARs in tandem with all or part of, or completely independent of, a grant of options or any other award under the Plan. A SAR issued in tandem with an option may be granted at the time of grant of the related option or at any time during the term of such option. The amount payable in cash and/or shares of Common Stock with respect to each SAR will be equal in value to a percentage (including up to 100%) of the amount by which the fair market value per share on the exercise date exceeds the fair market value per share on the date of grant of the SAR. The applicable percentage will be established by the Compensation Committee. The award agreement under which the SAR is granted may state whether the amount payable is to be paid wholly in cash, wholly in shares of Common Stock or in any combination of the foregoing, and if the award agreement does not state the manner of payment, the Compensation Committee will determine such manner of payment at the time of payment. The amount payable in shares of Common Stock, if any, is determined with reference to the fair market value per share on the date of exercise.

SARs issued in tandem with options shall be exercisable only to the extent that the options to which they relate are exercisable. Upon exercise of the tandem SAR, and to the extent of such exercise, the participant's underlying option shall automatically terminate. Similarly, upon the exercise of the tandem option, and to the extent of such exercise, the participant's related SAR will automatically terminate.

The Compensation Committee may also grant restricted shares, restricted stock units, performance awards, and other stock and non-stock-based awards under the Plan. These awards will be subject to such conditions and restrictions as the Compensation Committee may determine, which may include, without limitation, the achievement of certain performance goals or continued employment with us through a specific period.

The Plan provides that each new non-officer or non-employee member of our Board of Directors will be granted an initial one-time grant of an option to purchase shares of Common Stock upon the date of the first meeting of our Board of Directors attended by such director. Such initial option grant, which will be fully vested on the date of grant, will have an exercise price equal to the fair market value of the underlying shares of Common Stock on the date of grant. See "Proposal No. 1 Election of Directors – Compensation of Directors" for additional details on director compensation.

Risk Management

Our officers receive compensation from our Manager based on their services both to us and to other entities, as applicable, making their compensation unlikely to directly promote unreasonable risk-taking in the management of our business. Additionally, we grant options to our Manager in connection with our equity offerings to align our Manager's interests with the interests of our shareholders while avoiding an emphasis purely on equity compensation. Based on the assessment of these factors, we concluded that we have a balanced compensation program that does not promote excessive risk taking.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the 2023 Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with the Company's management.

Based on this review and their discussions, the Compensation Committee has recommended to the Board of Directors that the 2023 Compensation Discussion and Analysis be included in the Proxy Statement for the 2024 Annual Meeting of Shareholders to be filed with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Transactions with Related Persons**

SEC rules define “transactions with related persons” to include any transaction in which the Company is a participant, the amount involved exceeds \$120,000, and in which any “related person,” including any officer, director, nominee for director or beneficial holder of more than 5% of any class of our voting securities or an immediate family member of any of the foregoing, has a direct or indirect material interest. The Company adopted a written policy that outlines procedures for approving transactions with related persons, and the independent directors review and approve or ratify such transactions pursuant to the procedures outlined in this policy. In determining whether to approve or ratify a transaction with a related person, the independent directors will consider a variety of factors they deem relevant, such as: the terms of the transaction; the terms available to unrelated third parties; the benefits to the Company; and the availability of other sources for comparable assets, products or services. The policy includes standing pre-approvals for specified categories of transactions, including investments in securities offerings, participation in other investment opportunities generally made available to the Manager’s employees and use of a private aircraft.

Registration Rights Agreement

We have entered into a registration rights agreement (the “Registration Rights Agreement”) granting our Manager and its affiliates and the Master GP and its affiliates (collectively, the “Fortress Entities”) certain rights to register shares of Common Stock held by them under the Securities Act.

Demand Rights

Under the Registration Rights Agreement, the Fortress Entities, for so long as the Management Agreement is in effect, if a year has not elapsed from the execution of the Registration Rights Agreement or the Fortress Entities directly or indirectly beneficially own an amount of our Common Stock (whether owned or subsequently acquired, or may be acquired pursuant to a right to conversion or exercise) equal to or greater than 1% of our Common Stock issued and outstanding immediately after the consummation of the Spin-Off (a “Registrable Amount”), may exercise “demand” registration rights that allow the Fortress Entities, at any time after the consummation of the Spin-Off, to request that we register under the Securities Act an amount equal to or greater than a Registrable Amount. The Fortress Entities are entitled to unlimited demand registrations so long as such persons, together, beneficially own a Registrable Amount. We are not obligated to grant a request for a demand registration within three months of any other demand registration.

Piggyback Rights

For so long as the Fortress Entities beneficially own a Registrable Amount, the Fortress Entities have “piggyback” registration rights that allow them to include the Common Stock that they own in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8 or pursuant to an employee benefit plan arrangement) or by any of our other shareholders that have registration rights. These “piggyback” registration rights are subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

Shelf Registration

We have granted to the Fortress Entities, for so long as they beneficially own a Registrable Amount or otherwise hold restricted securities, the right to request a shelf registration on Form S-1 or Form S-3 or any other appropriate form providing for offerings of our Common Stock to be made on a continuous basis until all shares covered by such registration have been sold, subject to our right to suspend the use of the shelf registration prospectuses for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12 month period) if we determine that certain disclosures required by the shelf registration statements would be detrimental to us or our shareholders. In addition, the Fortress Entities may elect to participate in such shelf registrations within 10 days after notice of the registration is given.

Indemnification; Expenses; Lock-ups

We have agreed to indemnify the applicable selling shareholders, their affiliates and their respective officers, directors, employees, managers, partners, agents and controlling persons against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement, prospectus or preliminary

prospectus or any issuer free writing prospectus or any amendment or supplement thereto pursuant to which they sell our Common Stock, unless such liability arose from the applicable selling shareholder's misstatement or omission, and the applicable selling shareholder have agreed to indemnify us against all losses caused by its misstatements or omissions. We pay all registration and offering-related expenses incidental to our performance under the Registration Rights Agreement, and the applicable selling shareholder pays its portion of all underwriting discounts, commissions and transfer taxes, if any, relating to the sale of its Common Stock thereunder. We have agreed to enter into, and to cause our officers and directors to enter into, lock-up agreements in connection with any exercise of registration rights by the Fortress Entities.

Management Agreement

The Manager is paid annual fees in exchange for advising the Company on various aspects of its business, formulating its investment strategies, arranging for the acquisition and disposition of assets, arranging for financing, monitoring performance, and managing its day-to-day operations, inclusive of all costs incidental thereto. In addition, the Manager may be reimbursed for various expenses incurred by the Manager on the Company's behalf, including the costs of legal, accounting and other administrative activities.

In July 2022, the Company entered into a Management Agreement with our Manager, an affiliate of Fortress, in connection with the Spin-Off, pursuant to which our Manager provides for a management team and other professionals who are responsible for managing our business affairs in conformity with the policies and the strategy that are approved and monitored by our Board of Directors. There is no limit on the amount our Manager may invest on our behalf without seeking the approval of our Board of Directors, and our investment mandate is purposefully broad to allow us to opportunistically acquire assets that we believe offer the most attractive risk-adjusted return profile.

Our Manager's duties include: (i) performing all of our day-to-day functions, (ii) determining acquisition criteria in conjunction with, and subject to the supervision of, our Board of Directors, (iii) sourcing, analyzing and executing on asset acquisitions and sales, (iv) performing ongoing commercial management of the portfolio, and (v) providing financial and accounting management services. Our Manager is responsible for our day-to-day operations and performs (or causes to be performed) such services and activities relating to our assets and operations as may be appropriate.

We pay our Manager a management fee, which is determined by taking the average value of total equity (excluding non-controlling interests) determined on a consolidated basis in accordance with GAAP at the end of the two most recently completed months multiplied by an annual rate of 1.50%, and is payable monthly in arrears in cash.

The initial term of our Management Agreement expires on the sixth anniversary of the Spin-Off, and the Management Agreement will be renewed automatically each year for an additional one-year period unless (i) a majority consisting of at least two-thirds of our independent directors or a simple majority of the holders of our outstanding Common Stock, agree that there has been unsatisfactory performance that is materially detrimental to us or (ii) a simple majority of our independent directors agree that the management fee payable to our Manager is unfair; provided, that we shall not have the right to terminate our Management Agreement under foregoing clause (ii) if the Manager agrees to continue to provide the services under the Management Agreement at a fee that a simple majority of our independent directors has reasonably determined to be fair.

If we elect not to renew our Management Agreement at the expiration of the original term or any such one-year extension term as set forth above, our Manager will be provided with notice of any such termination at least 60 days prior to the expiration of the then existing term. In the event of such termination or other termination as set forth above, we would be required to pay the termination fee in each case as described below. In addition, the Management Agreement may be terminated by us at any time for cause.

If the Company terminates the Management Agreement, it will generally be required to pay the Manager a termination fee. The termination fee is equal to the amount of the management fee during the 12 months immediately preceding the date of the termination and an amount equal to the Income Incentive Fee and the Capital Gains Incentive Fee that would be paid to the Manager if the Company's assets were sold for cash at their then current fair market value (as determined by an appraisal, taking into account, among other things, the expected future value of the underlying investments).

Upon the successful completion of an offering of the Company's common stock or other equity securities (including securities issued as consideration in an acquisition), we will grant the Manager options to purchase common stock in an amount equal to 10% of the number of shares of common stock being sold in the offering (or if the issuance relates to equity securities other than the Company's common stock, options to purchase a number of shares of common stock equal to 10% of the gross capital raised in the equity issuance *divided by* the fair market value of a share of common stock as of the date of issuance), with an exercise price equal to the offering price per share paid by the public or other ultimate purchaser or attributed to such securities in connection with an acquisition (or the fair market value of a share of common stock as of the date of the equity issuance if it relates to equity securities other than our common stock). Any ultimate purchaser of shares of common stock for which such options are granted may be an affiliate of the Fortress Parties. No options were granted to the Manager for the year ended December 31, 2023.

Other Transactions

As of December 31, 2023, certain affiliates of the Company's Manager collectively own an approximately 20% interest in Jefferson Terminal which has been accounted for as a component of non-controlling interest in consolidated subsidiaries in the consolidated and combined consolidated financial statements of the Company's Annual Report on Form 10-K for the year ended December 31, 2023. The carrying amount of this non-controlling interest at December 31, 2023 was \$(78.0) million. For the year ended December 31, 2023, the amount of this non-controlling interest share of the net loss was \$(36.9) million.

The Company has subleased a portion of office space from an entity controlled by certain affiliates of the Company's Manager since February 2023. For the year ended December 31, 2023, the Company incurred approximately \$0.4 million of rent and office related expenses.

In December 2023, Jefferson Terminal entered into an agreement to lease land to an entity controlled by certain affiliates of the Company's Manager. The lease is initially for a two-year construction period and eight years post-completion with renewals that extend the lease up to 32 years. For the year ended December 31, 2023, the Company received no lease payments.

In March 2023, the Company purchased the remaining 35% non-controlling interest in FYX Trust Holdco LLC ("FYX") from an affiliate of our Company's Manager for a purchase price of \$4.4 million, which resulted in the Company's 100% ownership in FYX and the elimination of any non-controlling interest in FYX.

**ADVANCE NOTICE FOR SHAREHOLDER NOMINATIONS AND PROPOSALS
FOR 2025 ANNUAL MEETING**

Proposals received from shareholders are given careful consideration by the Company in accordance with Rule 14a-8 under the Exchange Act. Shareholder proposals are eligible for consideration for inclusion in the proxy statement for the 2025 annual meeting of shareholders if they are received by the Company on or before December 13, 2024. All proposals will need to comply with Rule 14a-8, which lists the requirements for inclusion of shareholder proposals in company-sponsored proxy materials. Any proposal should be directed to the attention of the Company's Secretary at 1345 Avenue of the Americas, 45th Floor, New York, New York 10105.

In order for a shareholder proposal, including proposals regarding director nominees, submitted outside of Rule 14a-8 to be considered at any annual meeting of shareholders, our Bylaws require that such proposal be made by an eligible shareholder who has delivered a timely notice to the Secretary of the Company at our principal executive offices and otherwise meets the information and procedural requirements prescribed by our Bylaws. Subject to certain exceptions, in order for a proposal relating to business to be conducted at our 2025 annual meeting of shareholders to be "timely" under the Company's Bylaws, it must be received by the Secretary of the Company at our principal executive office no earlier than December 13, 2024 and no later than January 12, 2025. All director nominations and shareholder proposals, other than shareholder proposals made pursuant to Rule 14a-8, must comply with the requirements of our Bylaws, or they may be excluded from consideration at the meeting.

In addition to satisfying the foregoing requirements, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act by March 30, 2025.

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy materials, including the annual report, and proxy statement and Notice of Internet Availability, if applicable, with respect to two or more shareholders sharing the same address by delivering a single set of proxy materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single set of proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate set of proxy materials, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to FTAI Infrastructure Inc., 1345 Avenue of the Americas, 45th Floor, New York, New York 10105, Attention: Investor Relations or by contacting Investor Relations at (212) 798-6128, and we will deliver promptly a separate set of proxy materials.

Instead of receiving future copies of our proxy materials by mail, you can elect to receive an e-mail that will provide electronic links to these documents. Opting to receive your proxy materials online will save the cost of producing and mailing documents to your home or business, will give you an electronic link to the proxy voting site and also will also help preserve environmental resources.

Shareholders of Record. If you vote on the Internet at www.proxyvote.com, simply follow the prompts for enrolling in the electronic proxy delivery service.

Street Name Holders. If you hold your shares in a bank or brokerage account, you also may have the opportunity to receive the proxy materials electronically.
